

## Credit/Debit Card Transfer

To replenish your VIPTRADE Money Box or trading account via credit/debit card please check a fund summ first. It should be available on your payment card.

Also make sure a payment card is activated for Internet payments and have no restrictions from the Bank.

The minimum summ for one transaction by credit/debit card from \$100 and the maximum amount for one transaction is \$7,000.

To deposit your account by card you need:

- Please select the “Deposit funds” in your Personal Area <https://cabinet.viptrade.eu/> (Deposit/Withdraw menu)
- Specify the payment amount (not less than 100 USD)
- In the “Purpose of payment ” field choose the VIPTRADE account you want to replenish (as example “Money Box USD”) in the drop-down list
- In the “Payment method” field please choose “Visa” or “Mastercard” in the drop-down list (depending on the card type) and click “Deposit” button below. On the next “Deposit Funds” page please check the amount and currency you want to deposit and press “Deposit” button. You will be redirected to the one of gateways page for making payment
- Attentively fill in your card data on the next page
- One more time check data and click “Proceed”

If the data is filled in correctly and funds is available on payment card, the automatic payment will be accomplished and funds will be credited to your VIPTRADE account in a few minutes.

***Attention! The payment currency should be the same as account currency to replenish an VIPTRADE account.***

VIPTRADE do not pass personal data to the third parties under any circumstances, according to the current legislation.
